Dear John Allen and family,
Thank you for the prompt
answer you gave me concerning
a job in Henderson. I guess jobs
are scarce everywhere.

How is the baby getting along?
Mrs. Warrick showed me the
pictures that she had of the baby
and I thought that she looked
like your wife.

I have been laid off from Kruger
since Christmas and no other job has
turned up other than working for
Bob Stiggs for four hours each
day chopping down trees on the
lot that he has next to Estill.

Have you been in the service
yet? I don't know whether I would
be better off to go now and have it

over with or to wait ^{and} go after college. I would like your opinion on it. You see, if I can't make the necessary amount in the summer, by the time I'm out of the service I could have enough money saved to go the first year of College and ~~the~~ maybe find a job somewhere.

Harold M'Alpine, the brother of James, who is about 20 or 21, led the singing Sunday night. Kenny says that he would like to lead sometime too. They are trying to find someone who will take my place for when I have to leave, I guess they want a young person preferably.

I'll go now and write soon,
Yours in Christ,
Lorian
